## OH THAT NOSE!

MAMAMIA !

Toasted, roasted, appetizing. Notes of frangipane, almond, caramel, mocha and even praline. A little touch of reduction that bring consistency. It smells of summer: ripe, wheat, fresh straw, bergamot... to sign the expression of the Chardonnay Grand Cru for good. **Basta.**

## AND THIS PALATE

THAT WHETS THE APPETITE

Just like us, this wine has energy to spare. It offers notes of red citrus, such as blood orange. A tasty bitterness emerges on the palate, served with spicy notes and, as a compliment to the terroir, marine notes such as squid ink and iodine. **Ready?**
