Notes of leather, spice, fur, liquorice and can set the tone from the start. Surprising notes of curry, lavender and cumin follow in an aromatic palette that is not there to be trifled with.

#### IN THE MOUTH, STRAIGHTFORWARD

The taste is frank, persistent, particularly tonic. The nose warned you. Red citrus fruits and mandarin reveal themselves, the spices follow the movement. A beautiful coherence of the whole underlined by a final on red fruits and morello cherry.
